

January 18, 2013

Dear Business Owner or Manager:

My name is Tami Salvati and I am the President of the Lynnwood High School Booster Club. I am contacting you in the hopes of perhaps securing a donation of money or services from your business to assist in raising money for our school.

Lynnwood High School has the highest free and reduced lunch program in the County and we have many students whose families are displaced, financially insolvent or kids who are abused and staying with other families within our LHS Community. To add insult to injury, due to the Edmonds School District's budget shortfall, there isn't enough money to fund all the school programs, *i.e.* sports, band, athletic equipment, etc. Therefore, the District relies on The Booster Club to fill these voids. Over the years we have helped purchase athletic equipment, assist students with the expenses for ASB cards, athletic participation fees, yearbooks, prom dresses, college scholarships, band expenses, you name it. Some of the stories we hear from our kids and families are heartbreaking. No child should be denied the ability to participate in a team sport or go to their high school prom. We have a goal of raising \$100,000 for our school and kids this year. However, there are only so many fundraising events we can hold per year which is why we are looking to our Community for help.

The Lynnwood High School Booster Club is a non-profit business and all of your donations are tax deductible and would go towards helping our kids and school, nothing else. Many of our students and families frequent your business and use your services which help your business flourish, as well as our community. Would you consider donating money or services for a good cause? Any amount would greatly impact a student or our school. With a donation of \$100.00 or higher, you will receive free advertising on our Booster Club website which is viewed frequently. If you donate \$250.00 or more, your business name will not only be added to our website, but also added to a banner which will be hung at LHS sporting events. If you are interested in donating (be it even \$25.00), please make your checks payable to the LHS Booster Club and mail your donation to Lynnwood High School Booster Club, 18218 North Road, Bothell, WA 98012. If you would like to give a donation of \$100.00 or more, please email an electronic company logo to royalsboosterclub@gmail.com. We will coordinate with you the size and layout of the logo. If money is not something you are able to do, would you consider donating a service or products we could auction off at one of our fundraisers? If so, please again email the Booster Club above.

With your help, you can **really make a difference** in the lives of our students and school. Please consider donating to the Lynnwood High School Booster Club.

Thank you so much for your support!

Sincerely,

A handwritten signature in black ink, appearing to read 'Tami Salvati', written in a cursive style.

Tami Salvati
LHS Booster Club President
